JERON NAMES NEW DIGITAL COMMUNICATIONS SALES MANAGER

Jeron Electronic Systems, Inc. announces the appointment of Bill Lewis as the Communication Sales Manager in support of Jeron's unique and versatile Spectrum Digital Duplex Intercom and Paging System.

Bill will be responsible for National Sales for Corrections, Governmental, Transportation, and Specialty Security applications. His background includes 30 years in the Sound and Communication Industry. Many in the industry may already recognize Bill from his previous position with Jeron as the Southeastern Regional Manager.

General Manager Elizabeth Chesnul noted, "From Parking Garages and Airports to Jails and Nuclear Power Stations, Jeron offers a comprehensive lineup of Digital Duplex Intercom and Paging Systems and Bill Lewis has the strong knowledge base necessary to assist our distributors."
